The Neurohospitalist Society
NHS members and others interested in presenting a poster or oral presentation at the 2016 Annual Meeting are invited to submit an abstract. Email abstracts of 250 words or less to: abstracts@neurohospitalistsociety.org. In the email subject line please include the abstract category: research, innovation, or clinical vignette.

Submission deadline: August 16, 2016 11:59EST. Acceptance notifications will be emailed by August 30, 2016.

If questions, please email abstracts@neurohospitalistsociety.org.
Intended audience: Neurologists, Neurohospitalists, Neurocritical Care physicians, Hospitalists, Advanced Practice Practitioners, fellows, residents and medical students.

The University Of Utah School Of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit: The University of Utah School of Medicine designates this live activity for a maximum of 11.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

At the conclusion of this activity, participants should be able to:

1) Identify best practices in neurohospitalist care models to implement in their own practice
2) Discuss challenges of teleneurology implementation in today’s society with an emphasis on how this model will change the neurohospitalist model
3) Identify challenges when dealing with team conflict and rounding inefficiencies as well as strategies to address
4) Implement protocols for challenging diagnoses in order to provide high quality, cost-effective care.
5) Identify neurologic emergencies in the hospital and develop an approach to rapid diagnosis and treatment
