DETAILS

Accreditation

In support of improving patient care, this activity has been planned and implemented by Washington University School of Medicine in St. Louis and The Neurohospitalist Society. Washington University School of Medicine in St. Louis is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credits offered for this activity:

American Medical Association (AMA) Washington University School of Medicine in St. Louis designates this live activity for a maximum of 10.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Intended audience: Neurologists, Neurohospitalists, Neurocritical Care physicians, Hospitalists, Advanced Practice Practitioners, fellows, residents and medical students.

At the conclusion of this activity, participants should be able to:

- 1) Identify best practices in neurohospitalist care models to implement in their own practice
- 2) Discuss challenges of neurohospitalist care models including EMR implementation, care of patients on other services and teleneurology
- 3) Identify challenges of burnout and resiliency solutions which can be easily implemented
- 4) Implement protocols for challenging diagnoses in order to provide high quality, cost-effective care
- 5) Identify neurologic emergencies in the hospital and develop an approach to rapid diagnosis and treatment

AMERICANS WITH  DISABILITY ACT STATEMENT
